These were found on page 2 of the Book of Reports. These committees were: Resolutions, Tellers, Program, Time & Place & Preacher, Nominating, Credentials, and Parliamentarians.

Credentials Committee Report: Jean DiFilippo, Chair – She reported there were 203 registered messengers.

Program Committee Report: Rick Eimers, Chair – Eimers moved to adopt the Program as printed in the Book of Reports and revise as necessary. Umphrey stated that since the report comes from the Committee if does not require a second. Umphrey asked if there were questions for clarity. No questions. Motion passed.

Nominating Committee Report: Brian Moffatt, Chair – Moffatt presented the Nominations for the 2023 Mission Council. These names were listed on page 25 of the Book of Reports. Moffatt had us remove the name Jamie Trascritti, as he withdrew his name for service. This vacant position will be filled later. Since this came from committee, no second was required. Umphrey called for questions. No questions. Motion passed.

Mission Council Report: JD Davis, First Vice President – Davis asked if there were questions regarding the actions of the Mission Council listed in the Book of Reports. John Michael Larue, FBC Miamisburg asked for the amount given to Cooperative Program to the Executive

Committee from the sale of Seneca Lake? Answer: \$500,000. Davis drew attention to page 23 and the Proposed Constitution & Bylaws additions. Umphrey explained we are not voting on these changes it is just presented for our information.

Video: Lifeway – Ben Mandrell, President – Lifeway is becoming a national and international company. Next Gen curriculum is to be released nationally and a Telugu Study Bible was released internationally. Lifeway is on the move and looking forward to the future.

Election of Officers: Brian Moffatt nominated Dr. Ray Umphrey for a second term as President. There were no other nominations. Davis called for the question and vote. Umphrey was re-elected unanimously. Jerome Byrd nominated Tony Harris for First Vice President. No other nominations and Harris was elected unanimously. Dean Fulks nominated Adam Pursel of Lifepoint Church as Second Vice President. No other nominations and Pursel was elected unanimously. Davis nominated Mary Leigh Snowden for Recording Secretary. No other nominations were made and Snowden was elected. James Risner nominated Charity Betts for Assistant Recording Secretary. There were no other nominations and Betts was elected. Bud Walls nominated Jeremy Westbrook to continue as Historian. There were no other nominations and Westbrook was re-elected.

Ohio Baptist Foundation Report: Jack Helton – Helton said it had been a great year for the Foundation. They had expanded with Waters Edge Ministry Services and with OBF/Louisiana Baptist Foundation. Helton asked Chad Keck to give a testimony on how the Foundation had been of help to his church, FBC Kettering. Keck explained that when he started at his church, he had inherited a \$10 million dollar debt. The Foundation had helped them free up 2 to 3 percent of the \$10 million debt to reinvest and put back into their ministry, church, association, and CP. Keck said we leave money when we die to all kinds of good causes: disease research, etc. Why don't we leave money to the church for Kingdom purposes? Waters Edge came and conducted an estate planning seminar and a Church Budgeting Seminar. This was helpful in getting people to use their assets for Kingdom causes.

Disaster Relief Report: John Heading – It has been a busy year! The goal is to have a Chaplain on each team and they are having two Chaplain trainings a year to help meet that goal. Heading pointed out that the role of a Pastor and the role of a Chaplain are not the same. "Chaplains are not pastors, and pastors are not chaplains." Chaplains are the first people in a home and therefore many do serve as Assessors, too. We now have a Quick Response Feeding Unit paid for by a grant of \$40,000 from NAMB. It can feed 1,000 meals a day and Ohio has used it 3 times within the 3 months we have had it. Heading played a video of some of the DR work from Naples, Florida. Heading also explained that DR is now also international with some work going on in the Ukraine. Heading shared this year there were 285 volunteers, 19 deployments, 42 professions of faith, and \$300,000+ in savings.

Video: NAMB –Kevin Ezell, President thanked the churches that give to CP, Annie Armstrong, and Lottie Moon. Ezell said we must reach North America for Christ and it begins with the local church. Southern Baptists are meeting physical needs of the lost and God has given us everything we need to reach the lost for Him. Ezell thanked us for our partnership. Sexual Abuse Task Force Report: Greg Jackson, Chair – Umphrey recognized all members of the committee and thanked them for their hard work. Jackson said they were seeking a new day of justice and accountability for those who abuse others. This document puts something in the hands of a pastor and staff. Our Ohio churches will not be a place where abusers can hide in our convention. These abusive acts will not be tolerated. This assignment was a heavy burden and uncomfortable for this committee. They sought legal counsel. This white paper is the first step in making our churches safe. He expressed his appreciation to all who helped to see this work through. David Gray announced a conference March 4, 2023, Renaissance Family Center, in Windham, Ohio. This will help the local church put this document into practice. The featured presenters will be Greg Wilson (a counselor) and Tommie Jo Brode (attorney). This will help your churches make policies that will keep churches protected. Further information will come as the date gets closer.

Praise & Worship Music: Jason Lovins Band

Executive Director's Report: Dr. Jeremy Westbrook – Westbrook introduced Jennifer, his wife. He thanked her for her impact on his life and ministry. He thanked Umphrey for his hard work all year, and he thanked the staff of CVC church for being so great to work with for this Annual Meeting. Westbrook thanked the messengers for our giving and cooperation. He expressed one of his greatest privileges was traveling and preaching across Ohio. He was thankful to see God's work across Ohio. Paul in the New Testament almost always started with "Thank You." Westbrook wanted us to hear his heart in his "Thank You!"

Keep Moving Forward was Westbrook's theme. New SCBO values of: (1) Prioritize the Pastor because the church is God's Plan, (2) Lead with Conviction because with God what can't be done, (3) Embrace Kingdom Diversity because Heaven already has, and (4) Collaborate with Unity because a movement needs a network.

Westbrook talked about the six Regional Catalysts and their impact on the ministry of the SCBO. We now have better attendance numbers at events, at half the cost. Regional approach is better to network and resource our churches to help them rediscover gospel multiplication. Westbrook gave the website <u>www.scbo.org/our-team</u> to learn more about catalysts and staff.

Westbrook talked about Super Summer. He stated we now have only 15% of our pastors under the age of 40. Super Summer had a record attendance this year with nearly 350 students and counselors. Nineteen students prayed to receive Christ, 31 followed up with baptism, 30 expressed interests in full-time ministry, and 67 felt called to full-time Missions.

The Ohio Baptist Messenger has been redesigned and rebranded. There is a higher click and read rate. Read the Messenger online at www.scbo.org/messenger. To sign up and receive the digital communications visit www.scbo.org/messenger. To sign up and receive the digital communications visit www.scbo.org/messenger.

In Leading with Conviction because with God what can't be done, Westbrook showed statistics of the Cooperative Program. He said we must stop passing Budgets that we cannot meet. He discussed the reality of where we have been over the last 20 years. SCBO has only met budget 3 times in 20 years. In 2021 Cooperative Program giving was \$4,501,373. Our number

of churches giving to CP have increased slightly in 2022 to 527 churches, up from 510 churches in 2021. Ohio Baptists have given 1 million to missions through CP from the sale of Seneca Lake. Of course, since we are a 50/50 state, \$500,000 stayed in Ohio and \$500,00 went to the Executive Committee who gave \$250,000 (50%) to IMB, another 22% to NAMB, 18% to seminaries, and the remaining to other entities. Westbrook stated that we now have on-line giving for churches and individuals for CP, Ray Roberts, and DR.

Embrace Kingdom Diversity because Heaven already has. Reggie Hayes has really led out in this. There was record attendance of nearly 90 Pastors and their wives at an Ohio African American Retreat. We are striving to have increased intentional emphasis on partnership with our OAAF. This is the first year in SCBO history that there is money in the budget for ethnic fellowships. Westbrook stated that work is being done with Hispanic, African American, Deaf, Nepali, and Asian. There was a Send Network Español gathering at SCBO offices for Hispanic Pastors & Future Planters in November 2022.

Collaborate with Unity because every movement needs a network. Westbrook stated that in the last 12 months there have been 32 new churches planted. That is a 40% increase over last year. Westbrook wants to see churches being planted in every part of Ohio by everyone in Ohio. Anyone in any city can plant a new church and receive access to SEND Ohio assessment, orientation, funding, care, and support. Westbrook expressed appreciation to Steve Hopkins for his work with the Multiplication Pipeline. SCBO is intentionally working through Ohio associations. They had meetings in several associations already and are planning more in 2023. Over 10% of our churches have signed up to mobilize & implement the pipeline in their church. Several have already launched with 15-20 church members. Westbrook stated we must have Kingdom vision. Kingdom math is not addition but multiplication. Multiplying our people out on the mission field and everybody on mission! Women have a role in this, too. Talk about how to multiply your life for the Kingdom. Disaster Relief is another way to multiply. We have gone on 19 call outs with 42 professions of faith. Serve Tour Dayton was a huge success. Forty-six churches were involved, 560+ volunteers, 2600 people served, 345+ Gospel conversations,13 salvations, and 35 projects undertaken. Westbrook acknowledged James Risner and Steve Stiglich for their work in this. Westbrook added we are starting a new partnership with Florida Baptists. Church- to- church partnerships and even potential associational partnerships. We are partnering for One More Child Foster & Adoption Ministry. To know more Westbrook shared to text the word FLORIDA to 440-276-5575. Westbrook stated to get involved, fill out the forms, help us to help you get connected to a church in Florida.

Moving Forward in 2023 – Westbrook said there will be an emphasis on prayer and fasting. Bill Elliff will lead the AMS Leaders on January 6. There will also be a Prayer Summit with Daniel Henderson, March 23-24. The Pipeline vision will expand with associational & regional tours in 2023. Also, there will be a Pastor and Staff Wives' Network led by Jennifer Westbrook and Cathy Pound. For more information contact jennifer@scbo.org. Westbrook announced that all new pastors and church leaders to Ohio in the last year will receive a \$25 Amazon gift card. He asked them to stand and be recognized. All ladies present would receive a SCBO blanket as a gift. Westbrook ended by saying the best was ahead for the State Convention of Baptists in Ohio.

Finance Committee Report: Jeremy Westbrook & Brian Moffatt, Finance Committee, Chair – Westbrook brought attention to the one-page Financial Summary printed in the Book of Reports. He also explained there was a more expanded version of the Budget on three other pages. Westbrook said we are currently in the black. We have had a personnel decease and a 4.7% overall budget decrease. We will continue to be good stewards and wise with the money. We must have good balance and we are moving in the right direction. Brian Moffatt presented the 2022-2023 report. He asked for questions.

James Kerr, Clough Pike Church, expressed his concern for only meeting three budgets over 20 years. Kerr asked if we were only in the black due to the sale of Seneca Lake? Westbrook: No. Kerr: Are we dipping into our reserves to make Budget? Westbrook: No. We are \$99,000 in the black as of October 2022. We now have a 3-4 months of reserves. We feel this budget is manageable. Westbrook explained that when he came on as Executive Director there was not even 1-month operating reserves. Our state was in a financial hardship. We are now posed to move forward. Kerr: We needed some rescue from NAMB with our finances and the grant.

Robert Dunkel, FBC Westerville, OH spoke. He stated he got the budget email on November 4. He stated the 2022 budget numbers did not add up correctly. He said the problems were in the Office Operations, Leader Development, Send Ohio, and Regional Ministries items. Dunkel emailed Kevin Heaton on November 7. He remarked he had not heard back from him on this matter. Dunkel asked why a revised, corrected budget was not sent out on email? Heaton: I did email back and the budget was corrected in this Book of Reports. Heaton stated that the first email was mistakenly formatted, not showing the accounts from the previous budget year that would not be funded. When Dunkel contacted our office about the difference in subtotals, we replied via email with the corrected document and replaced the online document with the new one for messenger review. The correct document is now printed in this current Book of Reports.

Zack James asked Westbrook what was his ideal ratio of Personnel to the total budget? It shows to be sitting now at 60%. Is this where you want to be? Westbrook: When I came to Ohio it was sitting at 82% and we can't afford to do that. It is not exactly where we want to be but we are constantly shifting down. We always strive to do more with less. We must be wise and strategic. We are not in our final place but we are working toward it. James: What is the ratio you are looking for? Westbrook: I cannot tell you that, I am not sure yet.

John Michael Larue, FBC Miamisburg: Since we are cutting our budget by almost 5% and considering the sale of Seneca Lake and the grant from NAMB, do we need to consider not being a 50/50 state? Since we must cut our budget and still rely on NAMB? Maybe a 55/45/split would be better? Umphrey: Dr. Westbrook did not solicit the grant. We were at a loss. We wanted an Executive Director and NAMB offered a transitional grant with no strings attached. This grant is not used for shortfalls. Larue: We should not send out so much money to have to turn around and ask for the money back. Westbrook: The grant was to solve a

temporary problem. In 2016, when I was President of the Ohio Convention, was when we voted to go 50/50. We have increased our CP giving since then. I think we have good accountability moving forward. Larue: But you are cutting 5% of the budget and that is discouraging. Westbrook: This is not a time to panic. We move forward. Moffatt moved to adopt the 2022-2023 Budget. Motion carried.

AFTERNOON SESSION

Video: IMB - Paul Chitwood, President – Our work together is the most important work we do together. Our missionaries have an impact on the lost that only God knows. This year 500,000 heard the Gospel, 176,000 accepted Christ, and 107,000 were baptized.

Praise & Worship: Jason Lovins Band

Video: SBC Executive Committee – The Cooperative Program has an impact on Southern Baptists and their work around the world. CP underwrites our pastors and missionaries seminary education. Every dollar given to the SBC has a story behind it. Make plans to attend the annual convention in New Orleans in 2023.

Business Session: Umphrey spoke to the John Michael Larue Bylaw change. SCBO Bylaws – Article II, Section 6 – The passing of resolutions requires a vote of two-thirds of the members present. This addition was allowed last year so we do not need to bring this up for vote. It still stands. JD Davis referenced the expenditures of money, a constitution change, which will be voted on next year. SCBO Constitution -Article X, Section 1 – The Convention shall accept any designated contribution, grant, bequest, or devise provided it is consistent with the Convention's (1) mission and priorities, (2) budget process and fiscal restrictions, (3) full ownership and control of the funds or assets, and (4) tax-exempt purposes. As so limited, donor-designated contributions will be accepted for special funds, purposes or uses, and such designations will be honored. The Corporation shall reserve all right, title, and interest in and to, and control of such contributions, as well as full discretion as to the ultimate expenditure or distribution thereof in connection with any special fund, purpose, or use.

Time, Place, and Preacher Committee Report: JD Davis, Chair - The date for next year's Annual Meeting is November 6-7, 2023. It will be held at Genoa Baptist Church in Westerville, Ohio. The Annual Sermon preacher is Greg Cooper with James Risner the alternate. Davis asked for questions. NONE. Davis made a motion to accept the report. Umphrey called for the question. Motion carried.

Resolutions Committee Report: Jason Walters, chair –The proposed resolutions reflect the support for increased vigilance and diligence regarding the prevention, reporting, and handling of sexual abuse in SCBO churches. Walters made a motion to adopt the report. No questions. Umphrey called for the question – motion carried.

Other Items: President Umphrey – Umphrey opened the floor for other items. A motion was made but Parliamentarians ruled it out of order. No other business.

Stowe Award: Steve Hopkins – Steve Stiglich was the year's recipient of the Darty and Dot Stowe award. This is an award given by Georgetown College in appreciation of outstanding Christian service to His Church, His Association, and His Convention. It is for a lifetime of dedicated ministry. Stiglich was unable to attend due to a family funeral. He was given his award the previous Sunday by Pastor Matt Williams. A short video was played of Stiglich accepting and thanking us for the award.

Praise & Worship: Jason Lovins Band

President's Address: Dr. Ray Umphrey - Text was 3 John. "What We Ought To Do." We ought to rejoice in the unity of truth. John starts this letter off in love and truth. When we confess the same Gospel there is a love that binds us together- a family of God. Gospel prosperity does not look like the world's prosperity. Every Christian is a product of missionary work. We are indebted to God and to those that God has called to bring the Gospel. We are the descendants of the apostles. We ought to resource the work of missionary cooperation. They go out for the sake of God's name. We need to have partnership in the Truth. If God blesses us in material ways, He does that for one reason. To bring glory to God and for His name. We are partners with our missionaries because we share a Gospel mission. You support them when you support the CP. Jesus said, "If they reject you then they reject Me." We support by praying, giving, and going. The Gospel is better because the SBC exists! We are part of a faith family and it is for the good of the Gospel that we do what we do. When your church gets busy, the devil gets angry. Imitate good not evil. Godly people who are filled with godly purpose are known for being sturdy and fruitful. We should look to those people because they hold the truth. We ought to rediscover the joy of Christian friendship. I have a test I give myself. If I had a loved one dying, and I could not get to them in time, would I ask this person that I have some different views from, who lives just down the street, to go and tell my loved one about Jesus? Are they a person who would go? If the answer is yes, then we can get along.

Installation of New Officers: Jeremy Westbrook - Westbrook recognized the service of the outgoing officers. He also recognized Dwayne Lee for his service to the SCBO. Westbrook then recognized the new officers for 2023.

Video: WMU & Cathy Pound – Ohio WMU's purpose is to make disciples of Jesus who make disciples. Ohio WMU President, Susie Emery, was elected on September 10. Emery's heart is for prayer and her vision is to build networks of prayer for pastors, church planters, church revitalization leaders all over Ohio. In 2021 the 2x2 Human Trafficking Awareness Ministry was created and this year Teresa Bailey and her team led 12 workshop trainings with over three

hundred participants. Ohio WMU is now partnering with Send Relief. Evelyn Perry led a training for Ohio ESL teachers. Seventeen were certified as Ohio ESL Trainers.

Ray Roberts Celebration Stories: Jeremy Westbrook – More churches are giving to Ray Roberts and the offering is slightly up. Phil Hopper, Pastor in Goshen, Ohio, is very grateful to the Ray Roberts Mission Offering. Goshen experienced a tornado this year and while Pastor Hopper was not sure what to do, he knew Southern Baptist relief would be there soon. The RR money helped them by getting food to the community. Power was out for days and all families lost all their refrigerated foods. Ray Roberts money was available to help get food back in people's homes. Don Sallow remarked that RR funds helped to get food to inner-city Cleveland. They were able to buy an industrial - size stove and prepare many more meals. They were also able to put a new floor on an indoor basketball court for the youth. They now minister to the youth of Cleveland.

Annual Sermon: Gary Frost - "Have You Got Good Religion?" Isaiah 58 In America we are privileged. We need to learn not to complain. We need to thank God for His wonderful grace and mercy in our lives. Isaiah means "Yahweh is Salvation." Though your sins are as scarlet, I will make them white as snow. We go through the motions but God does not see much change because our hearts are not right. We should want to come together in desperation. We should have a hunger and longing for God. America, and the church, as we know it, is in trouble. We need to hear God's voice speaking and calling to us. Religion touches the lives of the most hurting people. Get off the political step and touch people. Our primary concerns are more earth - centered than Heaven - centered. We are more concerned with being right and winning the argument than with righteousness. We argue over stuff while people are dying and going to 1.) The Agitation - I want people to like me. We will stand before God one day and give Hell. an account of our actions. Prophets were agitators, they were people who disturb or arouse emotionally. Agitators like to stir things up. Proclaim the Lord! We are so involved in the horizontal battles instead of the vertical battles. Self-righteousness is an abomination against grace. Don't think more highly of yourself than you should. 2.) The Recommendation - We need to touch the lives of hurting people. There is still much work to be done with people of color. There is an unbalance going on in prisons, and cities. God wants us to know how to deal with those hard things. Are you lined up with the Lordship of Jesus? This is where the anointing is coming from. If we line up with Jesus, we can agree and move forward. 3.) The Illumination - This is a conditional promise of God. If you do this then God says I will do this. We must be obedient and God will give us divine guidance. In a parched land your church should be green. Your church should be a safe place where people can come and get refreshed. Churches need to dig a well to restore us to Christ. 4.) The Restoration - God wants to restore our communities. God can use the church to restore the dark places. We can love unconditionally and invest in people. Renewal is the purpose of being a Christ follower. 5.) The Celebration – God wants us to rest and enjoy Him. Quit asking Him to change so many things. We need to praise the Lord.

Close of Annual Celebration: Ray Umphrey - He thanked CVC and the Jason Lovins Band.

Prayer: Penny Zuber closed the Annual Celebration in prayer.

Respectfully submitted,

Mary Leigh Snowden, Recording Secretary

PROPOSED RESOLUTIONS

ON SUPPORT FOR INCREASED VIGILENCE AND DILIGENCE REGARDING THE PREVENTION, REPORTING, AND HANDLING OF SEXUAL ABUSE IN SCBO CHURCHES

WHEREAS, Churches ought to be the safest and most life-giving places on earth, as Scripture calls the church a place of love, gentleness, and unity (Ephesians 4:1-6), a holy place of prayer and purity (Matthew 21:13; 1 Corinthians 6:18-20), and the very Body of Christ (1 Corinthians 12:27); and

WHEREAS, Those in pastoral ministry are entrusted with the responsibility, under the authority of Christ, to serve, shepherd, and guard those whom the Lord entrusts to their care (1 Timothy 3:1-7; Titus 1:7-9); and

WHEREAS, Scripture makes clear that teachers will receive a stricter judgment, and, therefore, overseers must be above reproach, keeping watch over their souls as those who will give an account (James 3:1, Hebrews 13:17); and

WHEREAS, Laws and codes of professional ethics in the State of Ohio prohibit sexual relationships between professionals such as physicians, psychiatrists, attorneys, and their patients/clients, even with consent, because the position of authority held by the professional creates an unhealthy opportunity for abuse, and those in a position of authority in the church should be held to a higher standard; and

WHEREAS, All those who participate in the ministry of the local church are held accountable by God for the sin of abuse against those inside and outside the Body of Christ and are to be held accountable by the local church, its pastors, and ministry leadership and by criminal, civil, and other legal authorities; and

WHEREAS, The Baptist Faith and Message 2000, Article XV, condemns "all forms of

sexual immorality" and states, "We should work to provide for the orphaned, the needy, [and] the abused"; and WHEREAS, The purpose of the Church and the State Convention of Baptists in Ohio (SCBO) is to glorify God (1 Corinthians 10:31), promote the truth and beauty of the Gospel (Romans 1:16), and to fulfill the Great Commandment (Matthew 22:37) and the Great Commission (Matthew 29:18-20), yet allowing for and tolerating incidents of sexual abuse betrays these purposes, that is, they work against gospel witness and bring reproach on the Name of Christ (Ezekiel 36:20-21; 2 Peter 2:2); now, therefore, be it

RESOLVED, That the messengers to the State Convention of Baptists in Ohio Annual Celebration in Broadview Heights, Ohio on November 15, 2022, hereby exhort the churches of the state convention to implement the guidance of the Sexual Abuse Task Force within their local ministries; and be it further

RESOLVED, That the SCBO will continue to strengthen, refine, and work toward even greater protections and effective implementation of policies against all forms of abuse, sexual and otherwise, within the convention and its churches; and be it further

RESOLVED, That while we hold convictions about and celebrate ecclesial autonomy, we also believe that it is both important and biblical (1 Corinthians 14:33) to develop a culture of transparency and mutual responsibility between churches, so that it is clear that our churches are not places where predators can hide, as we "contend for the sanctity of all human life from conception to natural death," seeking "to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love" (BFM 2000, Art. XV); and be it further

RESOLVED, That just as abuse is reported for investigation as crime under the jurisdiction of the state, also our SCBO churches will exercise

RESOLUTIONS (CONTINUED)

biblical church discipline and restoration of abusers in order for abuse to be addressed as sin under the jurisdiction of the church; and be it further

RESOLVED, That the church will care for and support the abused with "principles of righteousness, truth, and brotherly love" (BFM 2000, Article XV), providing a place of safety and comfort, and biblically counseling them towards their identity in Christ; and be it further

RESOLVED, That while in this world we must face the temporal consequences of our sin,

such as disqualification from ministry leadership, criminal charges, or removal from local church membership, we joyfully acknowledge that there is no sin that cannot be forgiven and no person who cannot be restored to Christ (Psalm 103:12, Ephesians 1:7-8); and be it finally

RESOLVED, That we support actions that protect the innocent within the churches of the SCBO from any form of abuse and embrace actions that empower churches to be able to report instances of abuse to appropriate authorities without fear of civil liability.

EXECUTIVE DIRECTOR-TREASURER REPORT DR. JEREMY WESTBROOK

Welcome to the 69th Annual Celebration of The State Convention of Baptists in Ohio here at Cuyahoga Valley Church. We are extremely grateful to Pastor Chad Allen and the entire CVC staff for their hospitality during these two days. Presiding over our annual celebration today will be Ray Umphrey, pastor of Briggs Road Baptist Church in Columbus, Ohio.

For the past year, I have had the honor and joy to travel across the Buckeye State to preach and say thank you to many of our churches. As a result, I am greatly encouraged to see the activity of God among our fellowships. To every church reading these words that has given faithfully to the Cooperative Program, I want to say thank you for your support to help reach our neighborhoods across the street and the nations around the world.

The vision to see a multiplying church in every part of Ohio for everyone in Ohio is gaining momentum. Our team has been working strategically through our local associations to introduce the multiplication pipeline tool to many of our churches. I am thrilled to share that in less than a year, over 10 percent of our SCBO churches have signed up to implement a multiplication pipeline in their church.

If you registered for our on-site Send Network Ohio luncheon today, you will have the opportunity to not only hear testimonies from your church planters, but learn more about how the Send Ohio vision has accelerated our church planting efforts. The luncheon takes place immediately following the morning session.

As a church planter and pastor in this state for nearly ten years, I looked forward to this meeting every year. I loved the opportunity to network, pray, and cast my ballot with my SCBO family. Today, your voice and your vote matter. We are better together. We are stronger together. We must cooperate together.

Moving Forward,

> Wir

INDEPENDENT AUDITOR'S REPORT

To the Mission Council of The State Convention of Baptists in Ohio Columbus, Ohio

We have audited the accompanying financial statements of the State Convention of Baptists in Ohio (a nonprofit organization), which comprise the statements of financial position as of November 30, 2021 and 2020, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the State Convention of Baptists in Ohio as of November 30, 2021 and 2020, and the results of its activities and changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.
