

# CAMP CAN

## VISION

Engaging a generation of urban boys for Jesus Christ while building lifetime relationships through a summer camp experience.

## MISSION

To provide an environment where the next generation of young men can learn from godly mentors, be encouraged in their faith, and experience an authentic relationship with Jesus Christ.

**Aug 5 - Aug 8, 2024**

Round Lake Christian Camp in rural Ohio will provide the backdrop for campers to connect and learn from godly mentors while swimming, fishing, playing basketball, paddle boating, hiking, and more. It's an atmosphere that will position these young boys to give their lives to Christ and then return home with support and encouragement to continue growing in faith.
