Dear CABA Pastor,

Here are a few items to help you promote the Southwest Ohio Missions Conference on Monday, October 4. Please help us get out the word. This is a terrific opportunity to cast a vision for missions among your members!

1:00 p.m. Conference starts – FBC South Lebanon
4:30 p.m. Missions Fair in exhibit hall
6:45 p.m. CABA Annual Meeting

Southern Baptist missionaries have been lined up to speak and lead breakout sessions. They are also planning to be available in the Missions Fair exhibit hall. The event should be most meaningful to pastors and church staff, women's ministry leaders, WMU & Baptist Men, homeschoolers, those who have been volunteers on mission trips, former missions personnel, church planters, and anyone considering serving as a career missionary!

In addition to the Missions Conference, you'll want to elect your messengers for the CABA Annual Meeting that night. We have some important business to conduct. But, continuing with our missions theme, we were delighted to get Jeremy Westbrook, SCBO's new executive director, as our keynote speaker.

Thanks for getting out the word!

Sincerely,

Mark Snowden
Director of Missional Leadership
